God of heavenly power, by the might of Your command, You drive away from our bodies all sickness and all infirmity. Be present in Your goodness with these, Your servants, so that their weakness may be banished and their strength restored. Relieve their pain, guard them from all danger, and restore them to full confidence in Your loving care. We ask this through Jesus Christ our Lord. AMEN.

Our departed Sir Knights are memorialized on our [web site](#) :"[Sir Knights in Memoriam](#)".

Faithful Navigator's Corner

The flowers appear on the earth, the time of singing has come, and the voice of the turtledove is heard in our land.

Song of Solomon 2:12

Spring in the desert - there really is nothing like it. If you haven't witnessed it yet this year, I encourage you to drive through Saguaro National Park, or venture up Sabino Canyon on the tram. Me, I have seen this transformation while driving past the Santa Cruz Flats on I-10. If you have ventured to Phoenix, you have passed the Flats. It is the stretch of desert just north of Picacho Peak. While more notably known for generating the dust that shuts down Interstate 10 during the monsoon, this year, because of winter rains, what was barren is drenched in color. The desert is covered with blossoms of orange, yellow, purple, all tied to the earth by infinite shades of green. Couple that sea of color with gentle hues of the sun setting behind the virga and you can't help but admire the wonders of God. Spring in the desert reminds me so much of the life before and after the Resurrection. In a matter of three days Jesus transforms our souls from a dusty void, mired in sin, to a garden oasis filled hope of the life to come.

Brother Knights, Jesus has Risen, and the desert celebrates his resurrection with us.

Vivat Jesus!

Membership Recruitment Training

Are you facing challenges recruiting new members? Could you use some additional "muscle" to help your council do its work? Then I'm excited to invite you to a fun and informative upcoming Membership Town Hall! The State Leadership Team along with Supreme Regional Training Director Ken White will host sessions in both the Phoenix area and in Tucson.

We promise we'll not spend time going through goals, quotas and numbers. Instead we'll share some of the latest tips and best practices to help us all grow the Order, including some fresh ways to conduct church drives. We'll also show you how to use the online tools that the Order has developed to help you grow your councils. This will be a town hall format and we'll leave plenty of time for open discussion and Q&A. We'll also provide food and drink.
