

Cicero Council #14476 - St. Michael the Archangel

Knights of Columbus

Spaghetti Dinner—Habitat for Humanity

As our council embarks on another Fall and Winter season with our usual plans for two Breakfasts, a Chili Supper and four Lenten Fish Fry events, we will begin this year by sponsoring a **Spaghetti Dinner** on Saturday, November 7th from 5 PM to 7 PM. Though a Spaghetti Dinner is certainly not a new event in our parish, it is new for our council to be sponsoring the dinner. The proceeds from this event will be targeted to support a new and different project for our council. Habitat for Humanity has purchased land on Peru street. We anticipate the construction of the new home to begin this Summer. Our council will invest both time and money in this very worthy endeavor. As always it is your generous support of our events that makes them successful. Please look for more information in the upcoming weeks regarding the Spaghetti Dinner. Please also update your calendars with the events listed below. **We look forward to seeing you!**

If any men in the parish would like more information on becoming a Knight and joining our council, please contact Brian Bear, Grand Knight or Phil Munsey, Deputy Grand Knight.

Please visit our website at <http://kofcknights.org/CouncilSite/?CNO=14476>
