

Not Just Any Insurance Company... Your Insurance Company

For more than 130 years, the Knights of Columbus Insurance program has carried on the vision of its founder, Venerable Father Michael J. McGivney, by protecting hundreds of thousands of Catholic families.

Today, we have more than \$100 billion of life insurance in force, and nearly 1,400 full-time brother agents.

We are — first and foremost — a Catholic business. We will not invest in companies that deal in abortions and abortifacients, pornography, and other lines of business that violate Church teaching.

We invest ethically, and give generously.
