

***Shopping that all men should do***

By nature, most men do not like to shop. Put me on top of that list! At the risk of sounding chauvinistic, that inclination seems more likely to drive our wives, daughters, mothers or other females we know. Sure, there are exceptions. Maybe you enjoy trips to the hardware store for a tool to help on a home improvement project. Maybe you like to find the best deal on the newest high-tech gadget for your living room.

When you do decide it's time to make a purchase, if you're like me, you want to get the best value for your money. You want the best customer service possible. Sometimes, this requires lots of research and planning. But one of the most important purchases you can make can be put into motion through a simple meeting with me, a brother Knight.

The core product offered by the Knights of Columbus is not glitzy. It's not like a new car or a classic one. It's not like a laptop or a flat screen television. It's not something you can "show off" to your friends, but you can brag about it. Life insurance is something that everyone needs. If you have some life insurance, the odds are great that you need more. If you don't have any coverage, you should stop to consider all the benefits life insurance would bring your loved ones. Remember, it's not about you. It's about your family.

When was the last time you shopped for life insurance? If the answer is "a long time ago" or "never," it's time you speak with me.
