Hello Brothers! For those of you I have yet to meet, I have been a Realtor in Boulder County for 13 years, and have helped many of our Brother Knights find or sell homes in this area. Please give me a call or didx to send me an email, and we can talk about how I can help you.

I am particularly excited to announce a new listing that came onto the market just this week! This is a terrific home in the Gunbarrel area that is close to great schools, hospitals, and public transportation. I have posted a video below that will give you a walk through so you can see why I am so excited.

So please call so we can talk about this home or any other needs you may have. You can also click the link above to go to my website and see many other properties I have listed there.
